

Junior Gold Mid-Season and Yearend Tournament Formats

1. Bowlers will be bowling a Six game qualifier with the top two scratch scores (A & B bowlers combined) getting a National Tournament Advancement Fee Paid.
2. After the six game qualifier we will cut to the top five for stepladders in each division.
3. We will draw for divisions this year and when you draw this year lanes _____ through _____ you will be an "A" bowler and lanes _____ through _____ will be an "B" bowler.
4. You will draw for lanes starting with the highest average and work down. If a person is not present at the drawing, we will have another bowler draw for their lane assignment. Remember that a bowler arriving late can still bowl he/she will receive a "0" score for frames missed.
5. The scholarship point amounts will be on the bottom of your recaps. If there are any additional monies turned in today, we will adjust the amounts given out.
6. We will be re-adding and ranking your scores so please bring recap score sheet up when your lane has finished entering all of your games (starting after completing game 2).
7. If you haven't paid all your fees and fines owed today, your scores could be disqualified. So make sure they have ALL been paid. The Advisors that do the weekly finances can tell you how much everyone owes if you are not sure.
8. Good Luck to everyone!!
