

Tri City Youth Classic League Tournament Points Starting with the 2009-10 Season

- 1 Points will be assigned based on the money available for each tournament (ranging from a minimum of 1 per every \$76.00).
- 2 Points will accumulate until Graduation from High School.
- 3 Scholarship amounts will be determined based on the following criteria – Cumulative Grade Point (GPA based on a 4 pt system) and ACT scores.
- 4 Scholarships will not be determined until Graduation from High School.

Examples

Bowler A has a 3.5 GPA and a 22 ACT for a total of 57 – (35+22)

He/She has tournament points of 6. The determined amount of the scholarship is \$342.00

Bowler B has a 2.0 GPA and an 18 ACT for a total score of 38 – (20+18)

He/She has tournament points of 12. The determined amount of the scholarship is \$456.00

Note #1: Bowlers already in college will use their cumulative GPA (based on a 4 pt system) – 2 times for a maximum of 80.

Note #2: Students in a Trade School or similar education system (i.e.; no GPA) will be assigned a 2.0 for a maximum of 40 for a base score.

**Previously Earned Scholarships
Will NOT be affected!**
